

Career Success Story

Kevin Kaiser

Associate: Kevin Kaiser

Initial Role: Assembler

Current Role: Tech Support Manager

Location: Belleville, IL USA

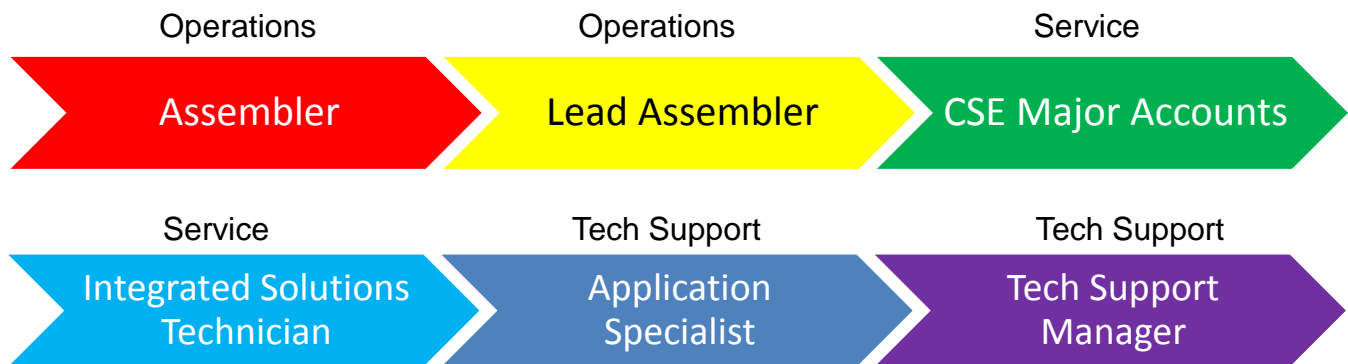

Background

Kevin has been with Videojet for 20 years. He started with the Marsh company with an Associate's Degree in Electronics from Southwestern Illinois College.

Development Plan

The most important factor for Kevin has been the relationship with his immediate manager. He has had several managers that worked closely with him and prepared him for each next role.

“Key thing is the customer. Take care of the customer and everything else falls into place and helps grow the business.”

What are you doing to drive your development?
