

Career Success Story

# Sherry Washburn

**Associate:** Sherry Washburn

**Initial Role:** Tech Support Chemist

**Current Role:** Lead Development Chemist

**Location:** Wood Dale, IL USA

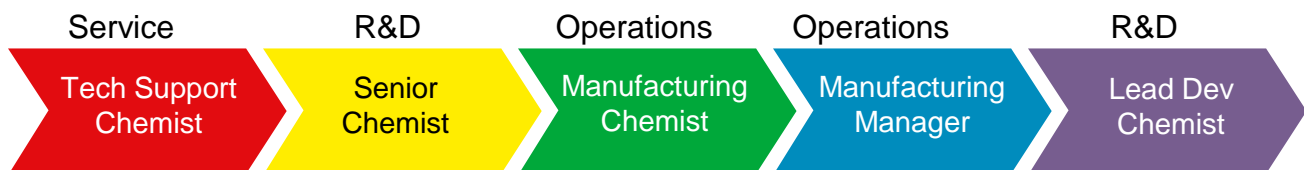

## Background

Sherry has worked at Videojet for 24 years, straight out of Purdue University, with a Bachelor of Science in Chemistry.

## Development Plan

One of Sherry's primary development objectives helped her to complete her Master of Science in Chemistry. The Danaher Leadership Anchor, "Builds People, Teams and Organizations" has been crucial in her managerial development. Her Director, Pete Papantos was instrumental in her overall career growth.

*"It's never easy and not always a straight path, but it's doable, with support from your manager. Dream Big!"*

*Have you reviewed your development plan with your leader this quarter?*
