

RESPONSIBLY
DESIGNED AND
MANUFACTURED

Inks that combine performance
with safety and sustainability

Videojet iQMark inks are responsibly designed and manufactured to deliver superior performance that meets your application and sustainability goals.

iQMark inks are ideal for marking and coding applications in:

Meat & poultry

Baked goods
& cereal

Tobacco

Beverages

Salty snacks

Cosmetics

Pharmaceuticals

Our continuous inkjet ink range includes versions that have (or combine) these key properties:

MEK-free

Food and beverage
packaging compliant

Low toxicity

Low odor

Low VOC
emissions

- Our safest, most sustainable ink
- For use in Videojet SIMPLICITY™ printers
- MEK-free
- CMR-free
- Methanol free
- Lower make-up consumption
- Lower VOC emissions
- Ideal for: food, beverage, pharmaceutical and medical applications

V4250

- Low-odor, black ethanol/acetate ink
- Ideal for customers in odor-sensitive applications
- Compliant with the EuPIA Exclusion List
- For use in Videojet SIMPLICITY™ printers

V4262

- Specially formulated for kraft abrasion resistance on HDPE containers
- Excellent adhesion and abrasion resistance on a wide range of substrates
- Resistant to acids, bases, mineral spirits, and oils
- Compliant with Swiss Food Packaging ordinance
- Compliant with the EuPIA Exclusion List
- For use in Videojet continuous inkjet printers

V4269

V4230

- Low-odor, cool black ethanol-based ink
- CMR-free
- Wide operating range of 5-40°C
- Excellent adhesion to a wide variety of substrates, including flexible film

WLK 660068A

WLK 660084A

- Low-odor, black ethanol/acetate ink
- For use in Videojet SIMPLICITY™ printers
- MEK-free
- Acetone-free
- Methanol free
- Ideal for: customers in odor-sensitive applications

V4260

- MEK-free
- Methanol free
- Fast-dry formula
- For use in Videojet SIMPLICITY™ printers
- Excellent for adhesion to glass, steel, and some plastics

M533

16-44SR

- Fast-drying, dark blue ink
- For use in the Videojet BX Series binary array printers
- Ideal for: product decoration

High-performance inks that
meet your unique application needs

Sustainable supplies

Recyclable packaging

Tested to ensure quality

Excellent adhesion

Fast dry times

High contrast

Reduce make-up
consumption

Support high uptime
