Ink Jet Training
Videojet Excel Series

VIDEOJET®

Excel Training

Videojet offers a number of training courses designed to help you optimize the performance of your ink jet printing equipment.

Courses are available for these small character ink jet printers:

- **Excel 100**
- **Excel 170i**
- **Excel 178i**
- **Excel 2000**
- **Excel 2000 Opaque**
- **Excel DN**
- **Excel HR**
- **Excel 170i UHS**
- **Excel 273se**
- **Excel 270i**
- **Excel 270g**

Flexible locations

Choose to host the training at your production facility or attend courses at one of Videojet's corporate training centers. Each class is facilitated by a Videojet full-time training professional. All courses incorporate maximum hands-on learning and formal testing.

Course levels

Both introductory and advanced courses are available. Partner with Videojet to select the most suitable option based upon your needs and the level of experience of your maintenance team.

Course curriculum typically includes:

- ✓ Safety
- ✓ Printer operation
- ✓ Printer theory and diagnostics
- ✓ Programming; use of the software interface
- ✓ Keys to successful self-maintenance
  - ✓ Attaining and maintaining high-quality print
  - ✓ Printer optimization; maximizing uptime
- ✓ Troubleshooting and corrective maintenance
- ✓ Production area review and assessment (when training takes place at your location)

Course topics are customizable upon request.
